

Is The Win-Win Club Really Free?

Yes, membership in the club is truly free. (Donations for value received are always appreciated but never required.) Members are offered free bi-weekly meetings via webcast or telephone for the purpose of enhancing both their interpersonal relationships, and their relationship with themselves.

The Win-Win Club is supported by people who recognize the value of using the win-win principle, and want to help it spread. They realize people's lives improve (because they become happier) when they consistently go for win-win relationships.
